

Ubuntu Linux - xrdp error “System policy prevents control of network connections”

written by js | 2023-03-27

[1] Editiraj ili kreiraj “universal.pkla”:

- `nano /etc/polkit-1/localauthority/50-local.d/universal.pkla`

[2] Editiraj ili dodaj:

```
[Allow access to anything for remote users]
Identity=unix-user:*
Action=*
ResultAny=yes
ResultInactive=yes
ResultActive=yes
```

[3] Restartaj:

- `sudo systemctl restart polkit.service`
