

Ubuntu RDP xrdp “System policy prevents control of network connections”

written by js | 2023-04-26

- `nano /etc/polkit-1/localauthority/50-local.d/50-allow-network-manager.pkla # (ili sličan fajl; ako ne postoji - kreiraj ga)`

```
[Allow access to anything for remote users]
```

```
Identity=unix-user:*
```

```
Action=*
```

```
ResultAny=yes
```

```
ResultInactive=yes
```

```
ResultActive=yes
```

- `sudo systemctl restart polkit.service`
