

Linux - Ubuntu - MSTSC na XRDP = prazan ekran

written by js | 2023-07-16

Problem

Spojiš se MSTSC-om na Ubuntu XRDP kadli ono - prazan ekran

Rješenje

Odjavi se iz sesije s fizičke konzole, pa se onda prijavi remote.

Možeš probat i ubit korisnika ili tty1 ili pts/0

blank dark screen green xrdp rdp mstsc ubuntu linux remote connect empty
prazan ekran xblank xdark xscreen xgreen xxrdp xmstsc xubuntu xlinux xremote
xconnect xempty xprazan xekran xtty1 tty1 pts0 xptsx user xuser kill xkill
